immediately inventory the STI Goods and keep the STI Goods segregated from all other inventory, machinery and equipment. The STI Goods shall not be used, sold, encumbered or transferred to any other party.

STI reserves the right to supplement this Reclamation Notice or to file additional reclamation notices or claims. Further, STI hereby expressly reserves every right, power, remedy, claim and defense now or hereinafter existing. This notice is not intended and shall not be construed as an election of a remedy, a waiver of any defaults, or a waiver or limitation of any rights of STI.
